FOOD & WINE

The cuisine of Campania is full of fresh flavours, lots of tomatoes, lemons and seafood. From simple pasta dishes to elaborately plated artistry and rickety tables at low key beach clubs, to elegant dining rooms with chefs who have earned a Michelin star or more, there is something for every appetite. Several close-by restaurants and trattorias serve organic, local cuisine. We recommend the popular [Palazzo Murat](#) right next to the villa. Do not miss [Cantine di Marisa Cuomo](#) for a wine-tasting. Food connoisseurs won't miss [Le Sirenuse Hotel](#). Each restaurant in the region offers a kid menu and none raises an eyebrow when children make an entrance in a starred spot.

FAMILY

Time with family is celebrated in Italy, in fact almost every activity here is kid friendly. Each restaurant in the region offers a kid's menu and none raises an eyebrow when toddlers make an entrance in a Michelin starred spot. Possible activities include boat excursions and gourmand experiences – your local concierge can help you hire boats and tents at the nearby beach clubs or choose the more appropriate restaurants.
